

## THE CENTRAL INTELLIGENCE AGENCY

# FOREIGN LANGUAGE INSTRUCTOR CAREERS INTELLIGENCE SPEAKS MANY LANGUAGES.

Understanding world languages is key to fulfilling the mission of the CIA. That's why the Agency offers in-depth training to provide students with the foreign language communication skills and cross-cultural awareness they need to live and work abroad.

As a Foreign Language Instructor, your native-level fluency and knowledge of a foreign region's history, culture, politics and economy can provide the critical tools our professionals depend on around the world. In return, you'll earn a competitive salary and

receive a hiring bonus — while supporting the efforts of American foreign policy.

Applicants must be US citizens. All competitive candidates must successfully complete a medical evaluation, polygraph interview and an extensive background investigation. As part of the screening process, selected applicants will be required to take proficiency tests in their native language.
